

**REMARKS**

Independent claim 34 has been amended to incorporate the limitations of claims 43 and 49 which have been cancelled. And, claim 42 has been rewritten in independent form and also includes the limitation of claim 49. No new matter has been entered, and no new issues have been raised, since the Examiner has already considered these claims.

Since no claim rejections have been raised vis-à-vis a light fitting that includes a combination of the features of claims 34, 43 and 49, it is believed that the claims now are in order for allowance, and no specific discussion of the applied art is believed necessary. Claim 42, as amended, is also believed to be allowable over the art for the reasons previously advanced.

The foregoing Amendment makes no claims changes that would require further search by the Examiner. Accordingly, entry of the foregoing Amendment, and allowance of the application are respectfully requested.

Credit card payment in the amount of \$130.00 to cover the cost of the Petition for One-Month Extension of Time is being made via EFS web.

In the event there are any fee deficiencies or additional fees are payable, please charge them (or credit any overpayment) to our Deposit Account Number 08-1391.

Respectfully submitted,
